Memorial Cemetery at Belleau Wood, France.

Somewhere, in grassy meadows,
White crosses, row on row,
Forever casting shadows
As seasons come and go;
White crosses! Love's last token
To those who paid the price;
God bless those hearts, yet broken
By such a sacrifice.

The sky shines bright above them,
Sweet flowers grace that sod
Unknown by those who loved them,
But surely known to God.
Christ died to make us holy,
They died to make us free
That all, or high or lowly,
May live in liberty.

Howard D. McEachen, Principal

Architect
(PRINCIPAL McEACHEN)

The architect speaks—

"The high school graduate of today is blessed with glorious opportunities and he is burdened with stern responsibilities. His is the opportunity to serve mankind. His is the responsibility to restore order. The future of the world hangs in balance. Security is dependent upon the extent that education is universal and effective. Because of this, the schools have a serious and important job ahead of them.

The basis of a school program is its curriculum. The curriculum is contingent upon plant facilities. A building creates atmosphere for the educational program. Shawnee-Mission now lacks many needed facilities which may soon be provided. Those responsible for the planning are resolved that the new plant shall aid instruction rather than make it difficult, that it shall enhance learning by reflecting in its construction that which will take place within it.

Sincere best wishes to the student body."

Howard D. McEachen

Time out for fatherly advice to sons—
Richard, Gary, and Billy.

Alberta Gallagher and Bettye Spencer,
secretaries to Mr. McEachen.

Draftsman

(VICE-PRINCIPAL)

Gardening, playing the piano, and hob-nobbing with a President have all been accomplishments of Carl D. Gum, Shawnee-Mission's new vice-principal.

Mr. Gum formerly served as principal at William Chrisman High School, Independence, Missouri; and while living in Independence, the Gums were personally acquainted with President Harry S. Truman.

In his youth, Mr. Gum's nicknames had to fit his surname, he was dubbed "Wrigley," or "Spearmint." The nickname, "Coach," was added after five years of basketball and one year of football coaching. Shawnee-Mission students have found Mr. Gum to be friendly, quiet, and always willing to help solve problems.

The vice-principal has been active in community affairs and has been affiliated with the Lions' Club, Rotary Club, Chamber of Commerce, American Legion, Masonic Lodge, and Community Music Association.

All clerical matters, from financial accounts to daily attendance routine, have been handled by Mr. Gum. To aid him, he has had very efficient helpers—Mrs. Glen Soellner, and Mrs. Bryson Clarke.

As chief inspectors the Parent-Teacher Association has served as kindly advisors, loyal workers, and understanding overseers.

Parent-Teacher Association meetings were held regularly on the third Monday of each month. Officers for the past year were Mrs. E. R. Kitchen, president; Mrs. E. M. Wharton, first vice-president; Mrs. C. D. Logan, second vice-president; Mrs. H. N. Howe, recording secretary; Mrs. E. D. Land, corresponding secretary; Mr. A. P. Snodgrass, treasurer; Mrs. J. E. Lynn, historian; Mr. H. D. McEachen, consultant.

Two hundred ninety-six became members of the Parent-Teacher Association last September during the membership drive. The number was the largest membership which the Shawnee-Mission branch had ever registered. County Council meetings were held at the high school on every second Friday of September, November, January, February, March, and May.

Foremen! Yes, the teachers were the foremen who instilled knowledge and wisdom every day. They were the ones who taught the equations, sentence constructions, geography, and foreign languages. They were the ones who made us behave and gave us a test now and then. Shawnee-Mission was favored with the best of instructors who helped to make possible the school's fine scholastic rating.

Before leaving Shawnee-Mission in January, 1946, **John D. Lagneau** taught journalism and English; he was also the adviser of **The Mission.** From Pittsburg State Teachers' College Mr. Lagneau received both B. S. and M. S. degrees.

Gertrude Welch, math instructor, held an A. B. degree from the University of Kansas. The Girls' Pep Club and Camera Club were both under her leadership.

Head sponsor of the senior class, **Mrs. Wilma White,** divided her time between senior duties and her English classes. Mrs. White's A. B. and M. A. degrees were acquired at Kansas and Northwestern Universities.

Mrs. Hilda Irwin, math teacher, sponsor of a Math Club, and assistant Girl Reserve leader, received her A. B. degree from Kansas University. She has also attended the University of Kansas City.

His higher education having been received at William Jewell, Kansas University, and Colorado University, **L. Dale Pigg** held both A. B. and M. A. degrees. In addition to being head sponsor of this **Indian,** Mr. Pigg taught Spanish and co-sponsored the Spanish Club.

Director of National Honor Society, sponsor of Biology Club, and instructor in biology were **Velma Seaton's** tasks. Miss Seaton acquired a B. S. degree at Central Missouri State Teachers' and an M. S. at Colorado University.

Edna Hetzel, Latin and German instructor, gained both A. B. and M. A. degrees in attending Ottawa, Colorado, Kansas, and Wisconsin Universities. Miss Hetzel was head sponsor of the Girl Reserves and sponsored the Spelling Club.

President of the Faculty Club, **Anna Marie Edwards,** was an instructor of social science classes. Kansas State College, from which Miss Edwards received her A. B. degree, Kansas University, and Colorado University were the colleges of her choice.

Having attended Illinois, Missouri, and Kansas Universities, **Howard G. Porter** attained both B. S. and M. A. degrees. Mr. Porter taught physical education, was freshman basketball coach, and assisted with the Athletic and Gun Clubs.

Pittsburg State Teachers' College gave us **Nellie Jean Sutton,** B. S. degree woman, who communicated to her students instruction in foods and biology. The Home Economics Club and a section of the Girl Reserve organization were under her supervision.

Central Missouri State Teachers' College was the Alma Mater of **Charlyne Bass.** With a B. S. degree in education, Miss Bass taught general business and English classes and assisted with the publication of this year's **Indian.**

Bernard A. Craig supervised the guidance program, debate teams, sociology class, local Forensics chapter, Gun and Aviation Clubs. Both his B. S. and M. S. degrees were from Emporia State Teachers' College.

Language teachers diagram "I pledge allegiance—." (L. to R.) Hetzel, Crain, Livingood, Pigg.

Social science teachers discuss world to come. (L. to R.) Reade, Edwards, Lyman, Welch, Craig.

Grammarians hunt for the most difficult text book. (L. to R.) McFarland, Starkey, Magnuson, White, Browne.

Mathematical minds attack a puzzler. (L. to R.) Redpath, Ison, Welch, Unruh, Soellner, Irwin, Hogan.

Training his students to be secretaries and stenographers was the task of **Felix Shular.** Besides teaching shorthand and stenography, he sponsored the Stenoettes. Educated at Pittsburg State Teachers' College, Mr. Shular acquired both B. S. and M. S. degrees.

English was the subject taught by **Viola McFarland.** Having attended Sterling College, Emporia State Teachers', and Colorado University, she received her A. B. and M. A. degrees. Miss McFarland has been a co-sponsor of the **Indian** for three years and served as Faculty Club vice-president.

Our efficient librarian and assistant debate coach was **Alta Mae Brink.** Holding a B. S. degree in education, Miss Brink has attended Pittsburg State Teachers' College and Denver University.

Sponsoring Hi-Y freshmen, serving as head freshman class sponsor, and teaching math and world history were **Clyde A. Redpath's** jobs. From Geneva College he received his A. B., degree and from Kansas University his M. A.

W. V. Unruh, assistant football and basketball coach, instructed math classes and also sponsored a Math Club. Mr. Unruh's A. B. degree was from Bethel College; he has also attended Kansas State College.

Math classes were directed by **Margaret Hogan,** who acquired her A. B. degree at Kansas University and also attended the University of Colorado. Miss Hogan was head sponsor of the Junior Red Cross and assisted with the Girl Reserves.

Accomplished linguist, **Mrs. Margot Crain,** has gained both A. B. and M. A. degrees. She has attended Northwestern, George Washington, and Chicago Universities, as well as the Institute Britannique. In addition to teaching Spanish and French, Mrs. Crain co-sponsored the Spanish Club and Girl Reserves.

Mechanical drawing and algebra were in **Chauncey I. Gorsage's** daily schedule; he also assisted with the Aviation and Gun Clubs. Holding a B. S. degree in industrial arts, Mr. Gorsage has attended Ottawa University and Pittsburg State Teachers'.

B. S. and M. S. degrees and six colleges to his credit—Bethany, Colorado U., K. C. U., K. C. T. C., Emporia State Teachers', and Denver U. —**James C. Hawkins** taught chemistry and sponsored the Retorts and Student Congress.

Lending her assistance during the first semester, **Mrs. Edith Pyles** taught English and debate. From Baker University Mrs. Pyles acquired her A. B. degree; she has done graduate work at Kansas and Chicago Universities.

Mrs. Virginia Magnuson, who attained a B. S. degree from the University of Nebraska, has done graduate work at Colorado University. Besides teaching world history, government, and literature, Mrs. Magnuson sponsored Pen and History Clubs and assisted with Girl Reserves.

With both Bachelor's and Master's degrees in music, **Mrs. Mary Spring** trained vocal groups and instructed an English class. She attended Kansas City Junior College and Northwestern University.

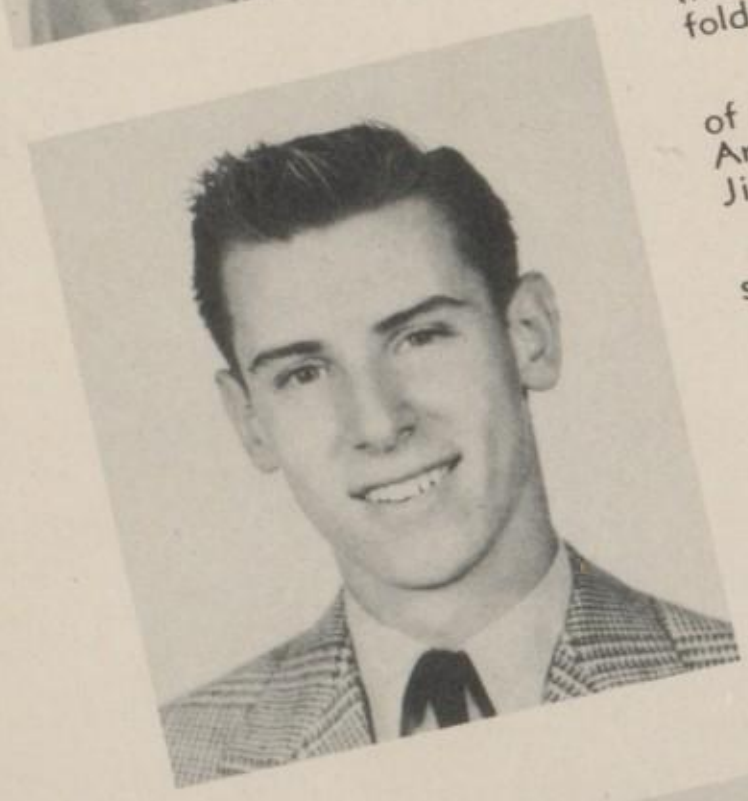
Finishers

(Seniors)

Superior in rank, dignity, and office—as freshmen, the class of '46 was nothing but an architect's dream. Through the past years, some have fallen by the wayside; nevertheless two hundred thirteen courageous builders have demonstrated their determination to see the finished structure. The architect's dream has unfolded into the completed construction.

Ed Stollenwerck was the head draftsman for the class of '46. Working under the head draftsman were Janet Anderson, vice-president; Bill Herwig, secretary; and Jim Wilson, treasurer.



Bob Brooks was elected head engineer of this year's student body. Other seniors contracted to assist in student government were Bill Herwig, John McCann, and Marybelle Shepherd.

Janet Anderson was elected Home-coming Queen of the Leavenworth game. Dorothy Van Hercke and Judy Torrey attended her. Dorothy Van Hercke reigned as this year's Pow-Wow Princess.

Mrs. White supervised the finishing touches of the senior class construction. Her assistants were Mr. Garver, Mr. Gorsage, Mr. Pigg, Miss McFarland, Mr. Welch, Mrs. Spring, and Mrs. Noel.

Carpenters

(Juniors)

Having made sure of a firm foundation, the carpenters began to build. This year, with all its varied activities, was one of toil and triumph for the juniors.

With the skill of trained workmen, the carpenters chose very able leaders. Head carpenter was Bob Larberg; Dottie Jones, Helen Kittle, and Patty McClure were his co-workers. Chief boss was Mr. H. V. Patterson. Other junior sponsors were Mrs. Fast, Mr. Snodgrass, Mrs. Magnuson, Mrs. Hodshire, Miss Brink, Mr. Allison, Miss Hogan, and Mrs. Irwin.

This class has ranked high in music, debate, drama, and scholarship. Fourteen juniors were invited to join the National Thespian Troupe. Six juniors were elected to the Annual Staff. Five per cent of the junior class was admitted to membership in the National Honor Society.

"Come Rain or Shine," the junior play, was produced early in the fall and delighted a large audience. Climaxing the social festivities of the year, the Junior-Senior Prom was held in the Little Theater of the Kansas City Municipal Auditorium.

Athletic juniors acquired thirteen football, seven basketball, and eight track letters. Two of the six cheerleaders were juniors. Fourteen junior girls and thirteen junior boys lent their lusty yells to the cheering sections of the Girls' and Boys' Pep Clubs.

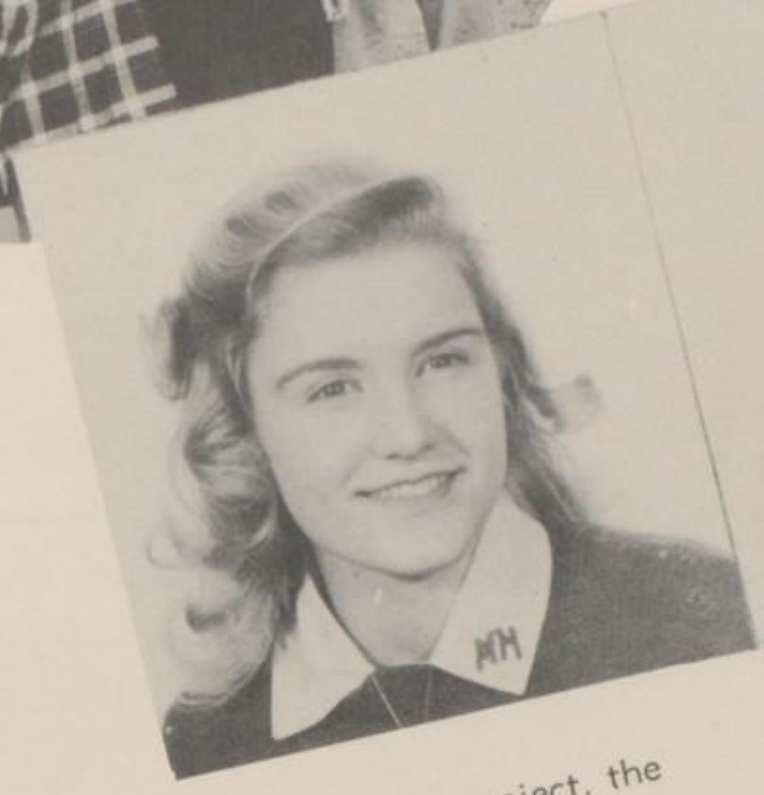
Masons

(Sophomores)



Like skillful masons on an architectural project, the sophomores have laid a strong foundation and have begun the erection of a sturdy structure.

Early last fall Marilyn Hardin was elected head mason. Her assistants have been Jerry Webb, Jean McCosker, and Bob Trego.

Scholastically inclined, this class led the honor roll every time during their freshman year. They showed abundant class spirit and fondness for fun at their October tacky party.

In competitive sports the sophomore athletes really shone. Mr. Snodgrass coached a football team on which only one opponent scored during the entire season. Bob Cumley and Carl Reade played with the "A" team.

Mr. Unruh coached a successful basketball team which lost only three games. Carl Reade played with the "A" team. Bill Reddig, John Willhelmy, Benny Way, Monte Dutcher, and Herbert Liverett played regularly on the "B" team.

Supporting all athletic events were the ten girls elected to the Girls' Pep Club and the ten boys who boosted the cheering section of the Boys' Pep Club.

Mr. Reade was head supervisor of the masons for the year. He was assisted by Mr. Shular, Miss Browne, Mr. Starkey, Mrs. Crain, Miss Bass, Mr. Alleman, Mr. Strong, Miss Welch, and Mr. Unruh.

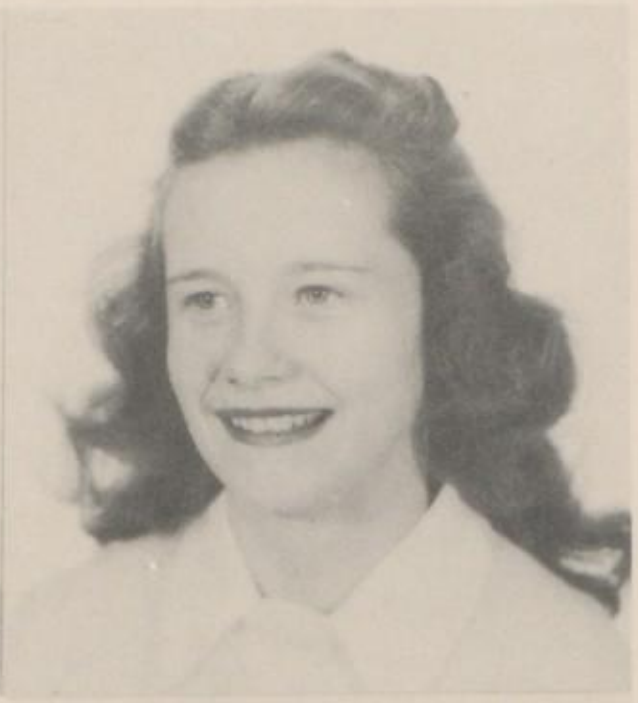
Hod-Carriers

(Freshmen)



Hod-carriers—the lowly laborers—yet how important the freshmen's role has been. They have been the source of supply; without them there would have been no new materials for the architectural project.

The three hundred forty-eight hod-carriers made up the largest freshman class in the history of Shawnee-Mission. Early in the year the freshmen elected Bod Hilliard as their leader. His associate laborers were Anne Jackson, Sue Sperry, and Lewis McCann.

Under Mr. Porter's direction, this group showed promising athletic ability in successful football and basketball seasons. Wally Beck, Mark Rivard, and George Zipp played with the basketball "B" team. Two boys who went out for winter track were Frank Renfrow and Jack Luschen. Supporting all of the sports activities were the five girls and five boys who were members of the Boys' and Girls' Pep Clubs.

The freshmen enjoyed their first class party in February. At this valentine party Sue Sperry was crowned Queen of Hearts.

Head supervisor of the hod-carriers was Mr. Redpath. Assisting him were Mr. Soellner, Mr. Livingood, Miss Sutton, Mr. Craig, Mrs. Lawrence, Miss Lyman, Miss Seaton, Miss Edwards, Mr. George, Mr. Porter, and Miss Wilson.

Although Shawnee-Mission's Indians did not cop the NEK League crown again this year, the season was one of the most successful seasons in the past few years. The Shawnee-Mission gridsters took a twelfth place rating in Kansas circles.

With only two regulars returning from the championship squad, the outlook was poor; but under the guiding hands of Coaches Reade and Unruh, the work-outs during those warm September days produced a high powered outfit built around the nucleus of six lettermen. This same aggregation was to win all but two of its games. These two were dropped to Lawrence and Wyandotte, rated number one and two in the state respectively.

After a month's molding, training, and practice the big day arrived. The season opened with the Shawnee-Mission vs. Rosedale game at Mt. Marty. With the vim and vigor of a raw recruit the Indians pushed over Amberg in the first quarter touchdown to win 6-0.

In the following week it was a little more than the Indians could do to hold back the power of Wyandotte. The score of the preceding week was reversed, and Wyandotte handed the Redemen their first loss.

After warming up for two games, the local boys were ready to defend the championship and handed the Argentine Mustangs a 26-7 thumping in the mud.

Running out of the T-formation, the Lawrence Lions blew in to battle for the league honors; for according to dopesters, the team which won this duel was to be "king of football' in Northeast Kansas.

Shawnee-Mission kicked off and recovered a fumble on the Lawrence 10-yard line, but the Indians lacked the scoring punch and lost the ball on downs. This was to be the story throughout the game, for the Indians time and again drove deep into the Lions' den, but couldn't take the leather home. A misplay in the fourth quarter gave the Lions their chance. After a few plays the Lawrence eleven had run up the score to 21-0 in their favor, and they took home the pennant.

Following the Lawrence defeat a rejuvenated Indian squad made the journey to the county seat where they ran rampant over Olathe's Eagles, who fell victims to a 31-6 lacing at the visitors' hands. The Olathe fracas was just a warm up for the now high-geared outfit which next met and held Atchison to a minus 19 yards while rolling 300 some odd themselves. The game ended with 31 points for the local team to Atchison's none.

The next seven days found the stage perfectly set. A large and happy Homecoming crowd combined with "Dads' night" to furnish the needed impetus, and the troupe from the local rural school had soon routed Leavenworth's plucky Pioneers with a 47 to 6 score.

November 9 rolled around, and the season was to end that night. Would the Indians end it in glory or become just another team? Coach Reade took his boys to Strawberry Hill where they were to meet Ward. No sooner had the game started than the Cyclone struck. Johnny Amberg was out of the game. This was a crushing loss to the team, for it was Amberg who had sparked the eleven on to the five previous victories. Stunned by this, the team bogged; the half score stood 0-0. Gathering their senses at the half, the Reademen took the field and paraded the length of the gridiron for two touchdowns. Allowing the Ward boys only six points, the Reademen hung up their jerseys in a blaze of glory.

War-whooping "Indians" End Battle as Regional **BASKETBALL** Champs.

Seven may be lucky for some but not for Shawnee-Mission's cagers. They tried this season for their seventh league championship only to have Lawrence's mighty Lions cop the coveted crown for the first time in six years.

Starting the season with only two lettermen, John Amberg and Captain Norm Johnson, the Indians showed great promise. They disposed of Southwest, Interscholastic co-champs, in their opening duel. Then in quick succession they overcame two other Missouri neighbors, Rockhurst and Westport.

The inevitable was bound to happen, and it did in December on the Wyandotte floor; the Bulldogs vanquished the Indians in a 28-22 battle. But with the spirit of a true Indian, the Rademen bounced back two days later to down Rosedale on the eve of the Christmas holidays.

Refreshed from the two week holiday, the Indians caught the Olathe Eagles in their nest and administered a thorough 49-30 whipping. Then the great machine broke and gave way to Ward, Lawrence, and Argentine. Making a recovery, it downed Atchison; and again it bogged and fell victim to the wrath of Leavenworth's Pioneers.

Glenn and Arnold check the laundry situation.

Coach Reade was just priming his basketball machine for the big offense as it downed Olathe and then turned the tables on Argentine and gave them a 26-19 trouncing. An invitational tournament at Salina found Shawnee-Mission losing by two points their first game with Wellington and then running wild over Parsons the following night to gain third place at the tourney.

Now came the big push for which Coach Reade had primed the quintet—the second half of the round robin schedule. Lawrence was the team to meet the unleashed Indian power; they were toppled in an overtime period. Next to fall before the fast-moving five were Ward's Cyclones.

Future A-team, Murly and his B-teamers.

Our miraculous neophytes—Coach Porter and the frosh basketeers.

S-M's high-point man shows how it's done.

And now it was time to break the Wyandotte jinx which had held true for seven games, and break it they did by running up 31 points compared to the Bulldogs' 22. After rocking up four straight games in the win column, the Indians began to coast. They they met their brethren from the North, the Atchison Redmen, who put up a surprising battle and held a one point margin when only a few seconds remained. But almost as the closing gun sounded, Carl Reade bucketed a long shot from the midcourt and reversed the one point margin.

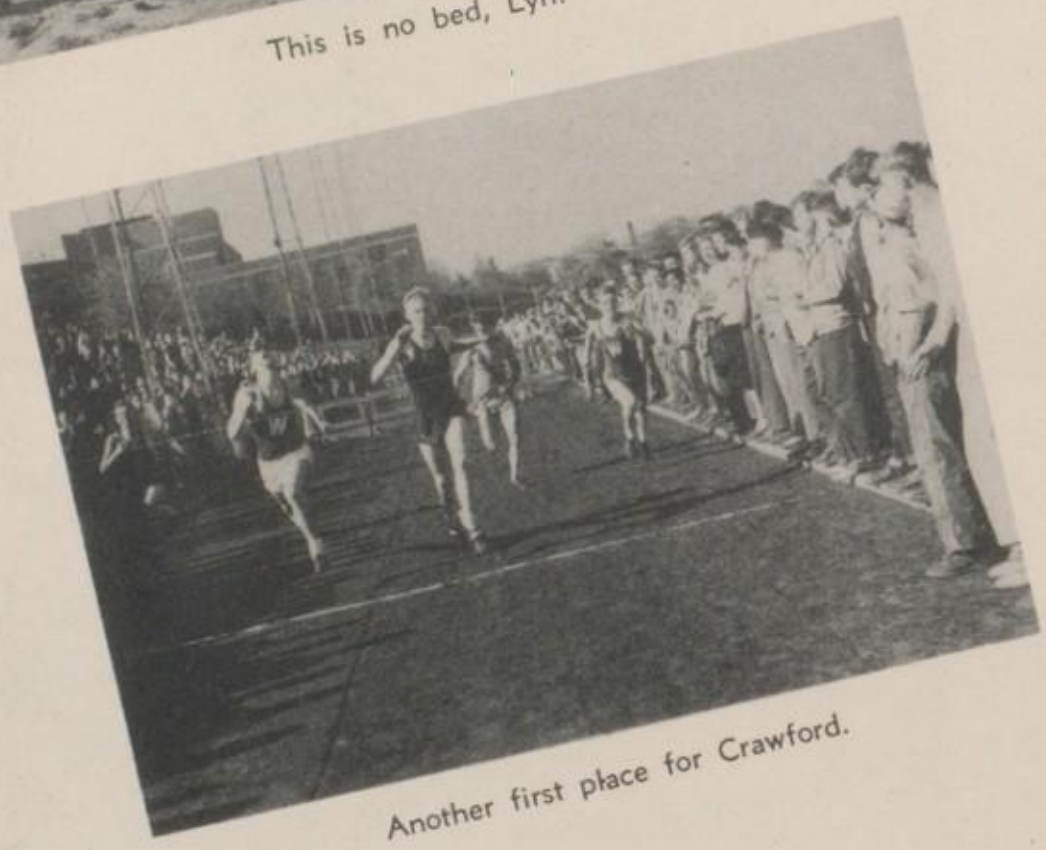
Spring and **TRACK**

Go Together Again

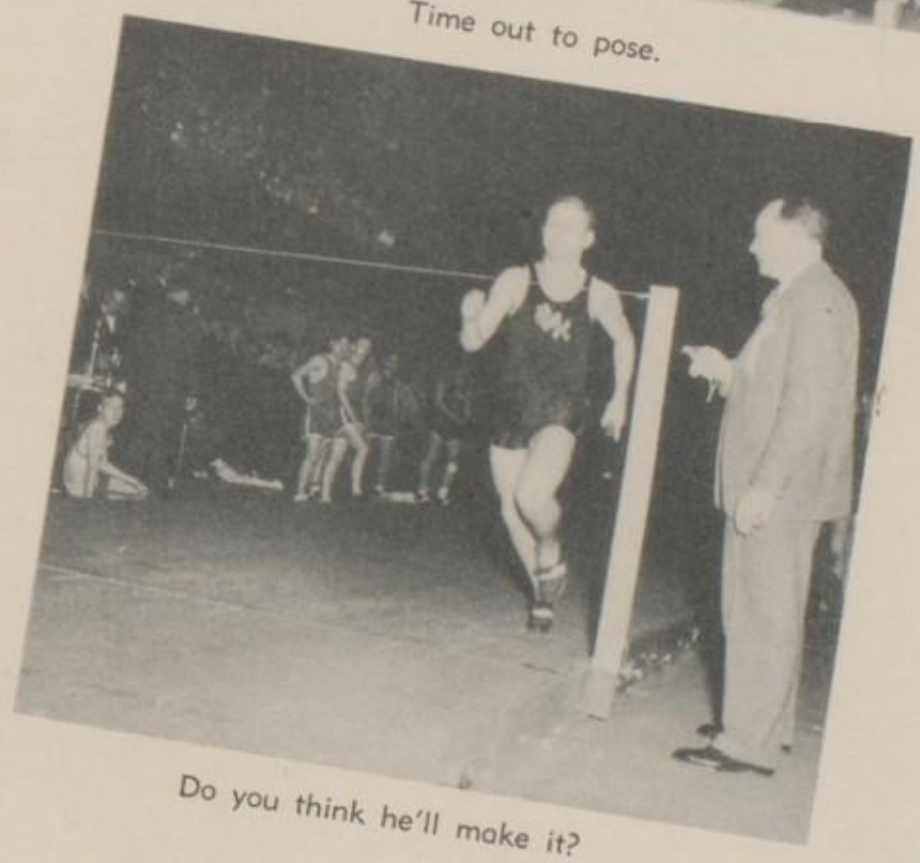


Another first place for Crawford.

As in the days of yore, spring ushered in the sport of personal achievement—track. Interest in track has grown to such an extent that the record number of one hundred forty-eight boys competed for individual honors in the heaviest schedule on track annals.

Freshman track squad.

Time out to pose.

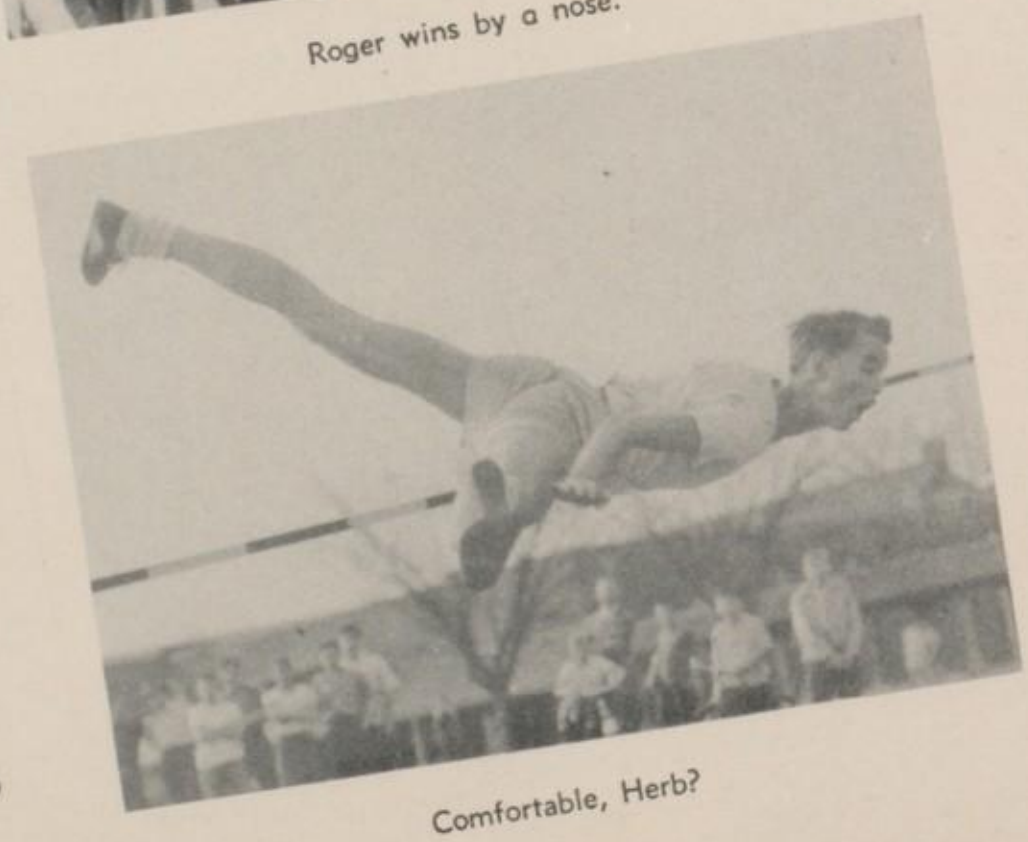


Do you think he'll make it?

Eager to get started, Bob Brooks, captain, lettermen who were not participating in basketball, and the cream of the underclassmen began running the halls of the West Building in order to get in condition for the indoor meet at the Municipal Auditorium on March 2. After pounding the cement for several weeks, the tracksters took honors with Wyandotte at the meet by taking first in the hurdles, and second in the 60 yard dash. They broke the record in the 8-lap relay to win a first; the record breaking team was comprised of Bob Brooks, John McCann, Harry Thomas, and Bob Falkenberg.

Progressive B-Squad.

Roger wins by a nose.



Comfortable, Herb?

After winning and losing two dual meets, beating Olathe 111½ to 55½, and losing to Wyandotte by a 92 to 40 score, the Indians entered the City meet only to take second with 59½ points. They were thirty points behind the victors, Wyandotte. Although not winning, the Indians broke two city records; the discus record was topped by Walt Way, who made a 124'11" throw, and the medley relay record was bettered by seven seconds by the fleet-footed quartet, Huntley, Crawford, Brooks, and Falkenberg.

Prospects for future cinder teams are excellent as the freshman squad under Coach Porter has broken most of the old frosh marks and has for the first time been given a full schedule to offer them more experience.

ANNUAL STAFF Introduces New Type Yearbook

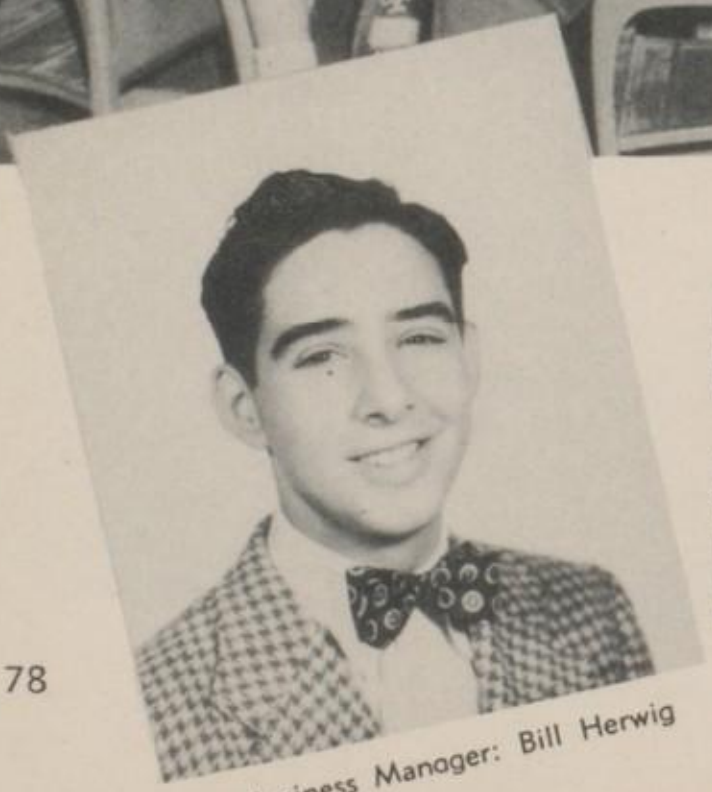
Industrious **Indian** Staff



Business Manager: Bill Herwig

"Give us more pictures and less copy" was heard again last fall, and the 1945-46 **Indian** staff set to work. Without the invaluable assistance of Paul Miller, printer, and R. M. Henry, photographer, completion of the task would have been difficult. Head sponsor of the **Indian** was L. Dale Pigg; Viola McFarland Charlyne Bass, and Dora Catheryn Wilson assisted.

With Marybelle Shepherd as their guiding star, these staff members made possible this year's **Indian**: (typists) Dottye Van Hercke and John Gates; (art staff) Ed Slabotsky, Judy Torrey, Dottie Jones, Henry Jankus, and Earlene Oberholtz; (editorial staff) Edith England, Helen Lundgren, Martha Fraser, Helen Kittle, Ed Stollenwerck, Dick Bullock, and Dorothy Walmer; (photographer) Bob Boyd; (business staff) Bill Herwig, Jeanene Trego, Bill LaCombe, Sam Morrow, Ed Weltner, Jack Lynn, and Jim Wilson.

SHAWNEE MISSION JNDIANS HOLD *Pow-Wow*

An old-fashioned minstrel show featuring harmony and humor was the main attraction of the 1946 Pow-Wow, an annual carnival sponsored by the **Indian** staff in order to raise enough funds to publish a yearbook.

Our blackface brethren, under the direction of C. Bones Smith, sang and wisecracked their way through a forty-five minute performance. Keeping up an endless line of chatter and nonsense, the end men livened up the show for all. Prominent businessmen of the community proved they had hobbies other than business cycles as they gave forth with perfect harmony in the chorus numbers. The audience soon realized that three-fourths of an hour did not provide nearly enough minutes for such caliber of entertainment. As a special novelty for the minstrel show, that "kilt kid," the "wee Scotsman," Donald Keir, entertained with his interpretation of a ballad from the land of plaids.

To round off the minstrel show, the Indian Chief and Princess were crowned. Having been elected by the whole student body, vivacious Dottye Van Hercke, senior, and popular John Amberg, junior, were covered with laurels as Princess and Chief. In a colorful and elaborate Indian ceremony presided over by last year's Pow-Wow Princess, Janet Anderson, the two nominees received their separate awards.

Meanwhile a variety of corn, comedy, and music was featured in the Vanities show that was presented in the gym. Under the supervision of Ed Stollenwerck, an all-student production provided a clever pattern in the form of a radio stage show. A number of special acts were highlighted by the appearance of those delectable dolls, the football lettermen in a chorus line. The "one, two, three, kick" was accentuated by muscular legs and Li'l Abner shoes. While the janitor was busy in the basement clearing up the plaster, an aftermath of the chorus line, another unique attraction was presented to an appreciative audience. Those alluring Andrew Sisters scored a success as they threw a mean hip into the proceedings to the tune of "Rum and Coca-Cola." Although the costuming was splendiferous, those popular juniors—Harry Thomas, Craig McMichael, and Bob Larberg—were recognized by an amused audience.

LATIN CLUB Relives the Past

That all the world loves to "figure out puzzles" was well illustrated by the original games and conundrums proposed by the Latin Club members. These "puzzle" question contests were answerable by Latin words. This increased daily interest in learning vocabulary; however the question was never settled as to whether the boys or the girls were the brighter. Latin fans learned about Roman architecture, gods, goddessses, homes, family life, armed warfare, and the great "glory that was Rome." Mr. H. H. Livingood sponsored the club.

Travelogue talks, given by faculty members and local speakers, took the group to visit France, Italy, and Mexico. One of the most popular speakers was our own Rogers Brazier, who returned as a G. I. to finish his work in Shawnee-Mission. A most interesting travelogue of Italy was given by C. E. Marston, a master at description. Every club member felt that he had personally visited Italy and had met the people.

SPANISH CLUB Sings, Speaks, and Serves

Garbed in festive Mexican costumes, "Los Charrochinas" members again caroled through the halls on Alumni Day. "Silent Night" became "Noche de Paz," and many other Spanish phrases rang out to the familiar tunes of traditional Christmas carols.

Mrs. Margot Crain was head sponsor of the Spanish Club; L. Dale Pigg assisted with club activities. Club events of special interest during the year included the presentation of a Spanish play, "Fantasma de Punta Guijarros," quiz programs on South American customs, group singing, and colored films on Vera Cruz and Mexican educational customs.

Only students who had taken or were taking Spanish were permitted to join Los Charrochinas. The club was formed in order to promote increased knowledge of our South American neighbors and to encourage study of the Spanish language.

As a result of your study of the occupations list which you received a few days ago, you should now be able to select from that list three which particularly interest you.
In the spaces provided below, you are to list in the order of your choice three of the occupations previously listed.
Accept this as a serious responsibility. You have here an opportunity denied to thousands of students. If bearing success- ful people in many occupational fields give to you invaluable information to help you in your choice of an occupation.

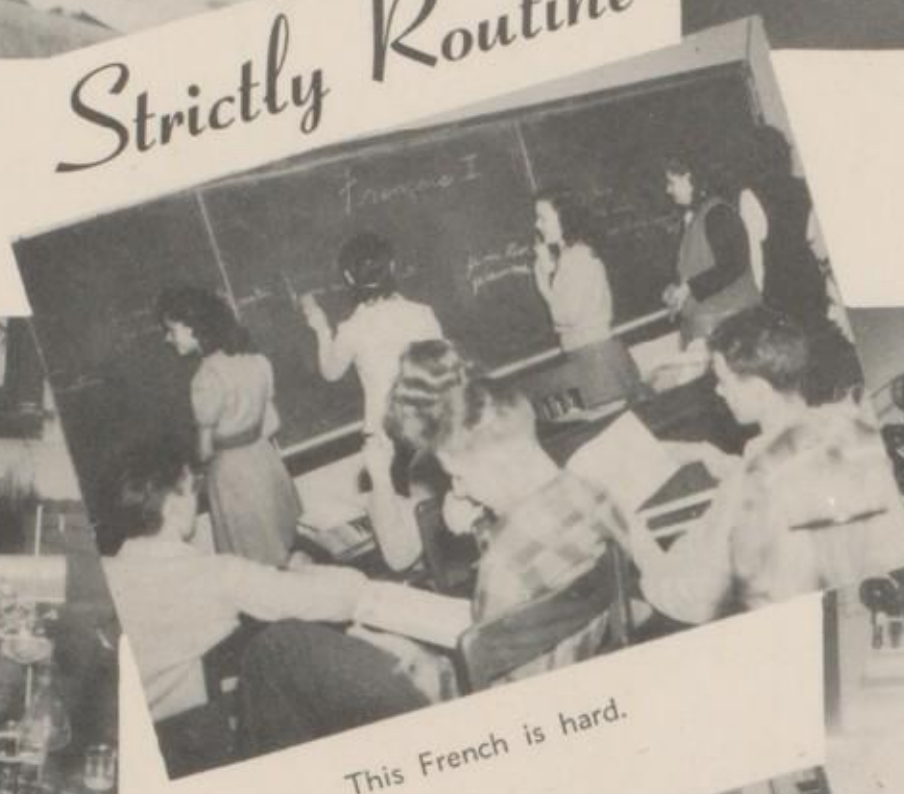
Strictly Routine

"Ho! hum! I need sleep."

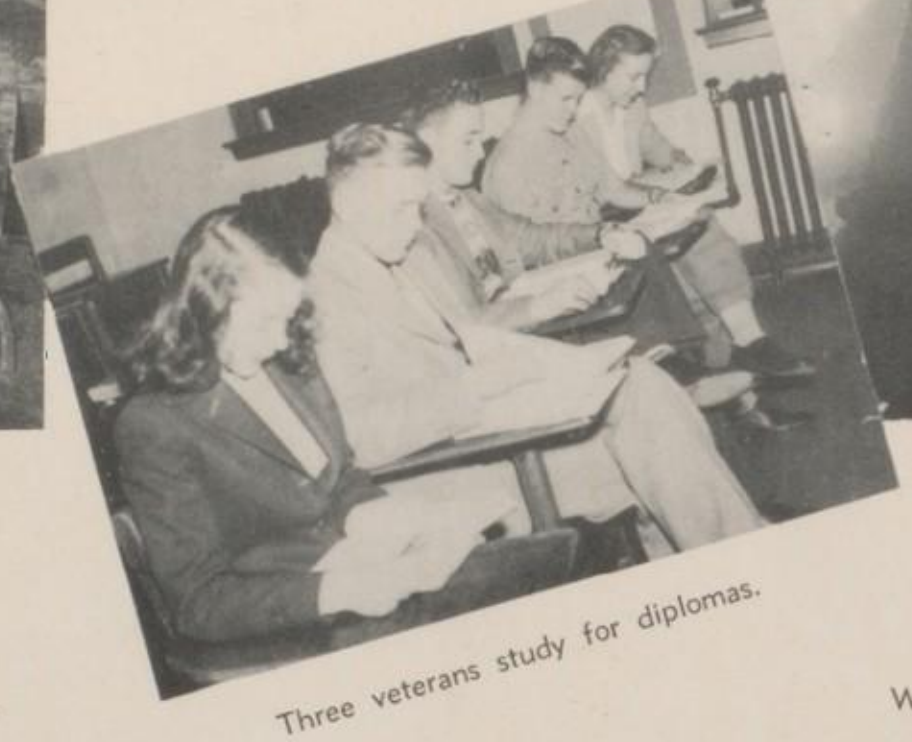
What's his horsepower?

Don't blow up the joint.



This French is hard.

What is it, anyway?

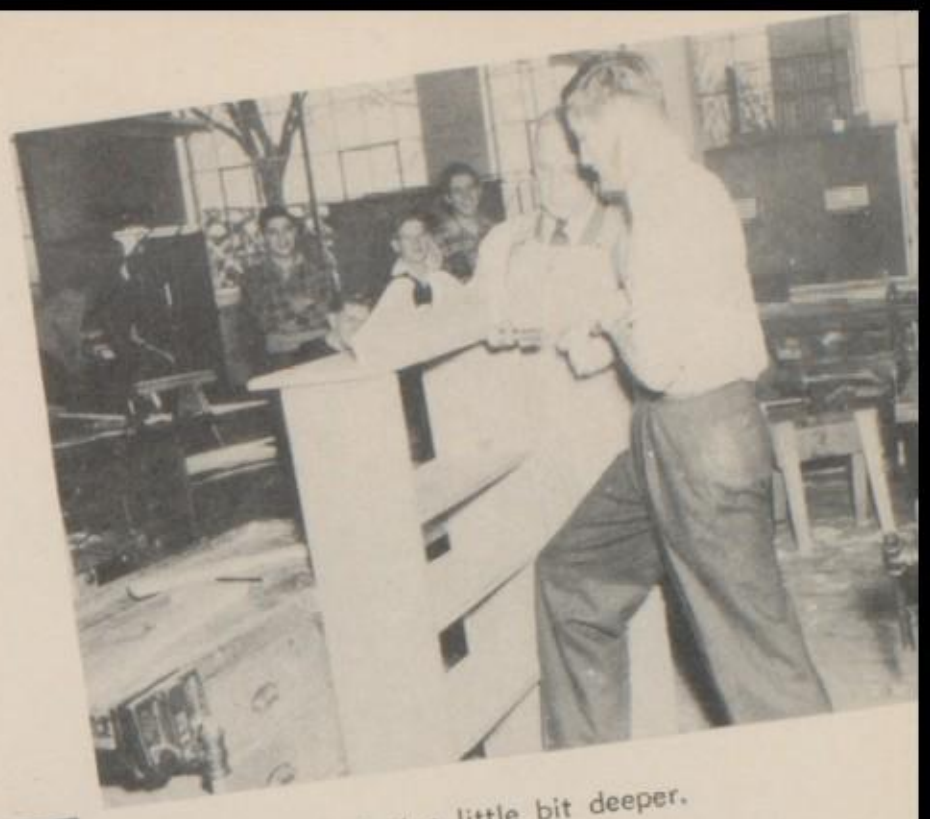


Three veterans study for diplomas.

Ison's study hall keeps busy.

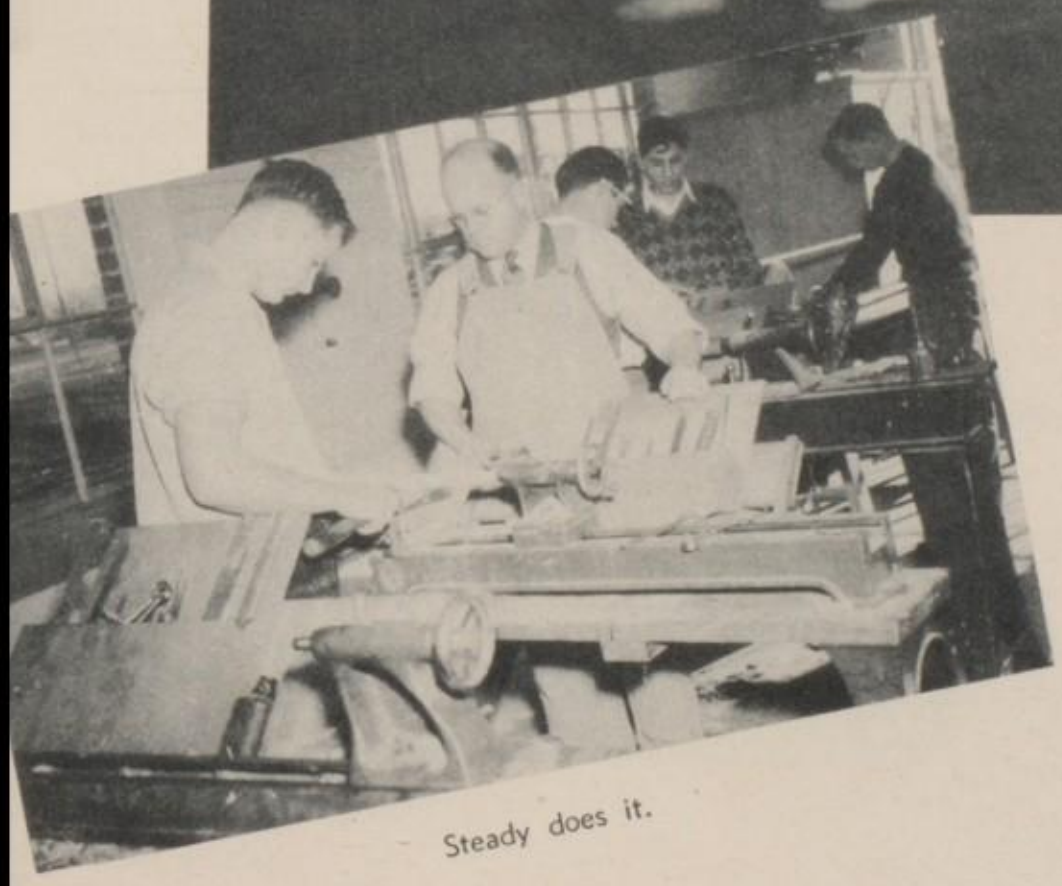
Where's that eraser?

"Herwig, you brute!"



Just a little bit deeper.

War dance?



Steady does it.

"Now, here's how an airplane engine works."

Greetings and Good Luck . . .

TO THE SENIORS: Congratulations and the best of everything, in your future endeavor, whatever it may be.

Remember, you are graduating from the best high school in the world.

TO THE ENTIRE STUDENT BODY: Thanks for your co-operation and tolerance during the past term. It's been enjoyable working with you.

R. M. Henry

Mission Studio

We produced this issue of the Indian by the offset lithographic process. Greater freedom and flexibility in the use of pictures are some of its chief advantages.

Now that It's Finished . . .

We are proud to have had a part in the creation of the Indian—and we commend the staff for a job well done. They have set a high standard of accomplishment, which future staffs may try to equal.
